

What to do if you need medical attention while on the waiting list for a Family Physician

Bancroft Primary Care Waiting List

With the recent retirement of several doctors in the area, there is a large influx of people requesting a family physician. Most of the doctors at the BFHT have full practices but are adding patients whenever possible. The NHFHT is currently at capacity. Both FHT's currently have over 750 patients on a waiting list, therefore, there are many patients waiting to be assigned to a Practitioner. If you are accepted by a Practitioner, you will be notified by mail.

We encourage you to apply to the Bancroft Primary Care Waiting List. Please apply by registering at either the BFHT or NHFHT (online applications are available*). It is not necessary to apply at both FHT's, the waiting list is shared and either office will contact you when Practitioners are accepting patients. If you have applied in the past to either FHT, you do not need to reapply.

In the meantime, the following options are available for your Medical Care:

- **The ER** – medical care is always available 24/7 at the Emergency Department of the Hospital.
 - In an attempt to reduce wait times, an additional doctor will be available daily from 1pm – 5pm to see patients triaged in ER. Must present valid Health card.
- **Good Doctors Bancroft** – there is a walk-in clinic available at IDA Pharmacy, 90 Hastings Street in Bancroft, Monday - Friday 9am to 5pm. Phone: (613)-701-1245 for more info.
 - Doctor sees patients through telemedicine and a physician assistant or nurse in the clinic assists the doctor with diagnosis. Must present valid Health card.
- **Bancroft Family Health Team Walk-in** – there is a walk-in clinic available to any patients. It occurs two Saturdays each month at our medical clinic at 19 Oak Street.
 - Patients are seen by a Nurse Practitioner. Available dates are posted on our website www.bancroftfht.com, or call 613-332-1565 for more information. Must present valid Health card.
- **Pharmacies** – if you require a refill on your medication, your pharmacist may be able to refill it for you based on your prescription history (for up to a period of 6 months). This DOES NOT include narcotic or other controlled substances prescriptions.
- **O.A.T.C.** - For more details contact them at 613-332-0660.
- **Pregnancy Support** – if you are pregnant and requiring prenatal care & support, you can contact **Midwifery Services of Haliburton-Bancroft**. More info is available online at www.haliburtonbancroftmidwives.ca or by phone at 705-457-9992.

*Online applications can be filled out at bancroftfht.com or northhastingsfht.ca
